

Your partner in sustainable risk control

Introducing the GSRC e-SHE System: Your Solution for Streamlined OHS Management

The GSRC e-SHE system is a cloud-based occupational health and safety management solution designed to help businesses of all sizes improve their OHS management practices. Our platform provides a comprehensive suite of tools and features that make it easy to manage your OHS program, including:

- Incident reporting and investigation
- Hazard and risk management
- Document management and compliance tracking
- Employee training and certification management
- Dashboard and reporting

With the GSRC e-SHE system, you can reduce risk, increase compliance, and improve safety performance across your organization.

Key Benefits:

- **Improve safety and reduce risk:** Our system is designed to help you identify and manage hazards and risks across your organization, reducing the likelihood of incidents and injuries.
- **Ensure compliance:** Stay on top of regulatory requirements and compliance obligations with our comprehensive compliance management features.
- **Save time and resources:** Our platform automates many of the time-consuming tasks associated with OHS management, freeing up your team to focus on more strategic activities.
- **Increase visibility and transparency:** Our dashboard and reporting features provide real-time visibility into your OHS program, enabling you to identify trends and areas for improvement.
- **Enhance employee engagement:** Our employee training and certification management features make it easy to keep your team up-to-date on the latest safety practices and ensure that they are fully certified to perform their roles.

Why Choose GSRC?

- **Trusted expertise:** With over 20 years of experience in the OHS industry, GSRC is a leading provider of OHS consulting, training, and technology solutions.
- **Customizable platform:** Our e-SHE system is highly customizable, allowing you to tailor the platform to your specific business needs.
- **Dedicated support:** Our team of experts is here to provide you with ongoing support and training, ensuring that you get the most out of our platform.

Ready to take your OHS program to the next level? Contact us today to schedule a demo of the GSRC e-SHE system and learn how we can help you achieve your OHS goals.
