# **INCIDENT AND ACCIDENT INVESTIGATION TRAINING COURSE WITH RCAT**

**Essential Skills for a Safe Workplace**

Investigating incidents and accidents is a critical process for any workplace that wants to ensure the safety of its employees and prevent future incidents. At GSRC Management, we offer a comprehensive Incident and Accident Investigation, including Root Cause Analysis (RCAT) training course that is designed to provide your team with the essential skills and knowledge needed to effectively investigate incidents and identify their root causes.

Our course covers a wide range of topics, including:

- Understanding the legal requirements for incident and accident investigation
- Collecting and preserving evidence
- Conducting interviews with witnesses and involved parties
- Applying RCAT techniques to identify root causes
- Developing effective corrective actions
- Evaluating the effectiveness of corrective actions
- Communicating investigation results and recommendations

Our training is delivered by experienced professionals who are certified safety experts and can help your team understand the importance of incident and accident investigation in creating a safe and productive workplace.

Key Benefits:

- **Improve safety and productivity:** By effectively investigating incidents and identifying root causes, and implementing corrective actions that prevent future incidents and improve workplace productivity.
- **Compliance with regulations:** Our course is compliant with national and international safety regulations and standards, ensuring that your business stays compliant and avoids fines and penalties.
- **Reduce risks and costs:** By implementing effective corrective actions, your business can reduce the workplace risk, as well as costs associated with insurance and liability claims.
- **Empower your team:** By providing your team with the knowledge and skills to effectively investigate incidents and identify root causes, you can empower them to take action and create a safer and more productive workplace.

Why Choose GSRC?

- **Trusted expertise:** With over 20 years of experience in the OHS and safety industries, GSRC is a leading provider of safety training and consulting services.
- **Customizable training:** Our training courses can be tailored to your specific business needs and industry sector.
- **Interactive and engaging:** Our training courses are designed to be interactive and engaging, ensuring that your team stays focused and retains the information they learn.
- **Flexible training options:** We offer a range of training options, including online and in-person training, to accommodate your business needs and schedule.
