

# **ULTIMATE SAFETY PRACTITIONERS TRAINING COURSE PROPOSAL**

**Essential Skills for a Safe Workplace**

## Introducing the Ultimate Safety Practitioner Course by GSRC Management

Unlock your potential as a safety practitioner with GSRC Management's Ultimate Safety Practitioner Course - the best in South Africa! Our comprehensive 10-day course is designed to equip you with the skills and knowledge needed to manage risks across all five resources of a business - not just safety management.

Our course consists of 5 days of theory and 5 days of practical training, ensuring that you have a well-rounded learning experience. You'll receive accredited training through the MER SETA, which means that our course meets national standards for quality.

### What sets us apart from the rest?

1. We're cost-conscious and offer the best value for your investment. We beat any written quote to ensure that you get the best training at the best price.
2. During the course, you'll cover a wide range of topics, including:
  - o Legal requirements and compliance with relevant legislation
  - o Risk assessment and management of all 5 resources of a business
  - o Effective communication and reporting of safety incidents
  - o Incident investigation techniques and root cause analysis
  - o Safety auditing and continuous improvement practices
  - o And much more!

### Why should you do the USP?

1. Comprehensive training: This course provides a comprehensive and in-depth understanding of safety management, including risk management for all 5 resources of a business.
2. Practical focus: The course is designed to include both theory and practical components. This means that you will not only learn about safety management in theory but also gain hands-on experience in real-world situations.
3. Accreditation: The course is accredited through the MER SETA, which is a reputable and recognized accreditation body in South Africa. This means that the course meets high standards of quality and is recognized by employers.
4. Cost-effective: GSRC Management is cost-conscious and will beat any written quote for this course. This makes it an affordable option for anyone looking to gain the skills and knowledge needed to advance their career in safety management.

Don't miss out on this opportunity to become the **Ultimate Safety Practitioner** with GSRC Management. Contact us today to enrol or to request more information.
